Dear Sharon

THANK YOU FOR YOUR DONATION

On behalf of the school children we serve, the voluntary general committee, management and staff at the Peninsula School Feeding Association, I hereby wish to take this opportunity to sincerely thank you for your generous donation towards our COVID-19 Feeding Projects.

Your donation in the amount of R20 000.00 was allocated towards purchasing essential ingredients for 129 food parcels and the distribution thereof to school children on our feeding programme affected by poverty and their respective households.

Your financial support positively affected these children and their respective families in the following important ways:

- Reduced their short term hunger
- Built their immune systems during this COVID-19 pandemic
- Poverty alleviation – it provided peace of mind to their parents/guardians who were unable to provide their children with nutritious meals whilst at home

Please note the following:

- 100% of your donation was allocated towards purchasing ingredients for the food parcels and the distribution thereof
- A tax certificate will be issued at the end of our financial year

Once again a big thank you for supporting our special appeal for donations during this challenging time.

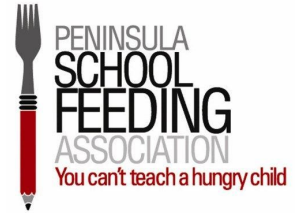

Kind regards

CHANTAL CROOK
